

VT11 Wallplug Tester

2P+E mains socket
and RCD tester

Tests performed:

- PE (Earth⁽¹⁾) not connected
- Phase (L) not connected
- Neutral (N) non connecté
- Phase (L) / Neutre (N) reversal
- Phase (L) / Earth (PE) reversal
- Presence of voltage on PE(1)

RCD tripping up to 30 mA

Applications:

- Renovation
- Quick testing of 2P+E socket connections

⁽¹⁾ "Earth" or "Protective Earth"

	VT11
Rated voltage	230 V
Frequency range	50 / 60 Hz
RCD sensitivity	Up to 30 mA
Overvoltage protection	300 V _{AC} / V _{DC}
Temperature range	0 – 40 °C
Relative humidity	< 80 % RH
Safety	IEC 61010 300 V CAT II
Dimensions	78 x 72 x 79 mm 120 x 200 x 80 mm (blister pack)
Weight	70 g 95 g (blister pack)
To order	P06230304
EAN13	3760171417331
